

LISTENING FOR GOD

Since November 1, 2020 we have been intentionally praying for St Peter and for wisdom and discernment about our future ministry and mission. Hopefully, you have been praying with us at 12:30pm each day. I hope that this time has been meaningful and has given you a way to remember our congregation each day. I hope that you will continue this practice as we move into the next phase of our discernment. As the Apostle Paul encourages us; Pray unceasingly.....

As we begin this next phase in our discernment process, we will begin to share our insights from this time of prayer and entertain questions like:

- Who are we now?
- What is God calling us to be?
- What needs of our community (Fort Myers Beach and area) are we called to address?
- How can we strengthen our bond within our community of faith?

During Lent, we will be exploring the theme “Listening for God”. Using the above questions and more, we will begin to think and talk about where God is leading us in 2021 and beyond.

We will be holding in-person Wednesday Lenten services at 9:30am in the sanctuary. These will also be live-streamed and available on YouTube for those of you who cannot attend in person. I would encourage everyone to view these five Wednesdays and participate along with us. You can reflect upon the same questions and send your thoughts and insights to me at rev_st@yahoo.com.

This way we will all have an opportunity to participate in this exciting time of discernment for clarity of vision and mission. God has been faithful to this congregation for over 50 years and will continue to guide and equip Christ’s church into the future.

We have much for which to be grateful. Our hope and our vision is secure in God’s promised love and grace. God is good! All the time!

Peace to you,
Pastor Sharon
