

Go Deeper Life Group Study

DON'T FORGET TO REMEMBER

Remembering What You Shouldn't Forget

July 18, 2021 - Week 1

ICE-BREAKER...

What do you forget most frequently?

GROUP DISCUSSION...

1. **READ NUMBERS 13:27-33.** Share about a time when you saw someone's attitude – either negative or positive – become contagious? How can those in our circle of influence effect our faith?
2. **READ MATTHEW 6:34.** What are somethings in the future that steal your joy in the present? What does Jesus say to do with those concerns? Is that possible?
3. What percentage of the things you worry about never come to pass? What impact does your worrying actually have on the outcome of the thing you are worried about?
4. **READ PSALM 62:11.** Do you believe that God is loving and strong? What happens when we live our life as though God is NOT loving and NOT strong?
5. When you pray, do you inform God of your plans or do you ask God to show you his plans? Why do you pray the way that you do?
6. **READ JOSHUA 4:4-7.** What will you do to remember God's goodness and faithfulness in the past, so that you can trust him more in the future?

REMIND YOURSELF DAILY...

DON'T MISS THE GRACE OF GOD TODAY BECAUSE YOU ARE WORRIED ABOUT TOMORROW.

VERSE OF REFLECTION...

I will remember the deeds of the Lord; yes, I will remember your miracles of long ago. Psalm 77:11
