We wish you all a happy new year!

We had a very busy November and Christmas season with many events and outreach opportunities. November began with our Fireworks Night, which saw over 150 people come out for a night of burgers, sausages, and Fireworks. Before we lit the fireworks, we gave the Gospel message. Many people heard it for the first time, and many others heard it yet again. Over all of our Christmas events, we saw four new families attend church services. A few of them had children attending our Kids Club and Youth Group, and we have been praying for them and encouraging them to visit for a while. Alyssa organized the children's choir for our Carol Service and the children's Christmas program. The children were very excited to participate. The message of the Christmas program inspired them to remember that Jesus really did come to the earth to die for our sins and that He is real and alive today! It was great to have so many children from the Kids Club and Youth group desire to have a part in these activities. At the Youth Christmas party, we had a great time of games and pizza, but the youth were also challenged to draw near to God through the Christmas season, instead of being attracted to the consumerism that prevails during that time. We finished 2018 with a baptism! We hope you join us in praying for more salvations and baptisms in the church through 2019, especially in the youth group. So many of these young people are genuinely interested in knowing more about God and Jesus Christ. Pray that the Word would fall on good soil!

As we look forward to the new year, we are so thankful to have so many people back home who are praying for us and supporting us. YOU help make this happen!!! Many of you have been praying for George as he has gone from ministry intern to full-blown associate pastor. Continue praying for him as he takes on more responsibility and leadership in the church. Pray for another young couple that we have been training in the youth work. May God bless you richly as we all work to further His Kingdom!
