## *Serving in London, U.K.*

March/April 2019 Prayer Letter

*"Up from the grave. He arose!"*

Thank you for your continued prayers and for giving toward our family and ministry here in London. We had beautiful weather as we celebrated our risen Savior. Our kid's club and children's Sunday school class joined together to sing a couple of songs and recited a memory verse which brought many to church on Easter Sunday. It was a blessing to have our auditorium full of adults and our children's class full. Please pray with us as we continue to build relationships with these new families and reach them for Christ.

There is a church about thirty minutes from our church that is without a pastor. Clark had the opportunity to preach their Good Friday service and has done some door knocking in their area. Please pray for this church as it seeks a pastor and please pray for wisdom for our ministry team as we seek to encourage them.

In March, 17 teenagers came to youth group to watch The Case For Christ. Only 4 out of the 17 attend our church. We are finding that many teens are struggling with the existence of Christ and question whether the Bible is even relevant to today. We are thankful for the opportunity to teach them who Christ is and that the Bible is one hundred percent applicable to them personally today. Pray with us that the teens will come to church on Sundays and be a part of the youth class as one girl began to do in April. We praise God that twelve-year-old Charlotte has been coming to church on a 20-minute bus ride to be a part of our Youth Sunday School. Pray for her salvation.

As the beautiful spring flowers blossom all around us, let that be a challenge to you as it is to us - Let's grow in Christ together as we continue to plant seeds around us!
