# MISSION TEAM SEASON

**Trinity Baptist Church, Big Spring, TX**

## Why we love mission teams!

Many have heard our testimonies, and how God used other missionaries, pastors, and mission office directors to open our hearts to God’s call for our lives. However, a vital tool that God used was a trip to Costa Rica with our church. God put a burden in Stan’s heart for the lost. It was also an eye opening experience to realize how great the need was for more laborers in the field working for the Lord!

It’s vital for people to see the work that God is doing, and the needs of different people groups first hand. It will also give you a more biblical world view to understand the importance of the Great Commission (Matt. 28:19-20) given to us by the Lord.

If your church is coordinating a mission trip step out of your comfort zone, pray, and ask God if this is your next step in serving the Lord! It will be a life changing, and sometimes challenging experience that will give you a better understanding of what missions is all about. We hope to see you one day here in Panama!

**Katuska, Fransisco, Stan, Jackie**

Rejoice with us over another soul that has trusted Christ. The Lord has been working on Fransisco for the past 2 years that we have known him. He began faithfully attending over a month ago, and during a Sunday morning invitation came forward and trusted the Lord as his Savior!

**Pastor Josh, Brittany, and Family**

**Ozark & Stan**

Thankful that we had the opportunity to present the work God is doing in Panama at Bible Baptist Church of Buffalo, MO. What makes this so special is that Ozark Nunez and his family are members there. Ozark is Panamanian and has a burden to reach his people with the Gospel!
