

# ROADMAP TO REOPENING

PHASE ONE

**On June 7, our worship team will return to the worship center to offer two weekly worship services via livestream**

- Modern Worship at 9:15 am
- Traditional Worship at 11:00 am

The HMUMC Pantry will continue to operate under new drive-thru guidelines established in mid-March.

PHASE TWO

**On July 6, groups of 25 people or less can request to gather onsite. Limited capacity funerals will also be offered**

**On July 12th, we will begin offering a weekly, outdoor Summer Sunrise Worship Service at 7:30 am. All are welcome to join us for an uplifting, casual worship service on the church lawn by the cross.**

Bring your own lawn chair, blanket, or towel for you and your family  
Seating areas will be socially distanced and marked on the lawn for your convenience

Masks are strongly encouraged but not required. They are required inside the church (if bathroom use is needed)

Because outdoor worship will be weather permitting, we will post a notification on [hmumc.org](http://hmumc.org) by 6:30 am Sunday morning if worship will be canceled

Our modern and traditional worship services will continue to be offered via livestream during this phase

PHASE THREE

**On August 9, our worship and hospitality teams will be ready to welcome you back to our worship center as we implement best-practice safety measures such as reduced occupancy levels, social distancing, sanitization measures, and contact-free greeting to create a welcoming and safe environment for those who feel ready to return to an in-person worship experience.**

We will ask that you pre-register your attendance in advance each week. Details will be coming soon on how to register.

Families are invited to sit together in worship – unfortunately we will not have nursery or children’s programming at this time

Our modern and traditional worship services will continue to be offered via livestream during this phase

PHASE FOUR

**On September 8, additional weekday and Sunday morning church ministries will begin to resume. These ministries will be determined and finalized in the coming weeks.**

Our modern and traditional worship services will continue to be offered via livestream during this phase

Hamilton Mill UMC will continue to follow the CDC, State, and North Georgia Conference of the United Methodist Church safety guidelines in all environments. These dates and plans are based on information currently available and might change. Additionally, the HMUMC Staff will be in continuous conversations with the HMUMC Health Advisory Committee. Our number one priority is safety for all.
