

Blessings!

It is hard to believe that this school year is quickly coming to a close. The amount of growth the children have experienced even with a shortened year cannot truly be measured. It is such a blessing for our staff to see the changes take place before our very eyes. Thank you for sharing your dear children with us. To our graduating Four and Five Year Old's, we

wish you the very best, continued growth, and success in Kindergarten. May the ideals learned here be with you forever. No matter where you go, may you always remember that God loves you.

Spring Programs

Due to Covid we are not able to have regular spring programs. However, the two and three year old classes have been singing all spring and will be sharing a few songs through video the week of May 10. The

four and five year old classes will be having in person graduations, one class at a time over the last week of school. The fours classes will begin at 11:30. The fives class will start at 1:00pm. You will sit with your family unit and social distance from other families. Masks will need to be worn at all times inside the building. More information will be sent home and you will RSVP for guests, a total of 16 for each child will be allowed.

May

3-5 Farm Animals visit

Fanli/Dawn's class at
11:30-12noon

20 Graduation for
Andrea/Karen's class
at 1:00-1:30pm

20 Last day of pre-
school

School starts
September 7, have a
wonderful summer!

Movement Mania

On April 20-22 we had three wonderful days of fun and games for movement time with Ms. Emma. The weather was cool and windy, but nice for being outside! There was corn hole, bean bag toss, balance beam, scooters, parachute time, tattoos and popsicles as a fun treat after they played.

Teacher Appreciation Week

Thank you so much for all of the wonderful treats brought in for the teachers. We plan to have a cart of treats for them to enjoy and a buffet that they can visit throughout the week. We truly thank you so much for supporting our staff this year!

Farm Animals

We are so excited for the farm animals to visit! They will bring ponies, donkeys, goats, sheep, chickens, and

bunnies for the children to get up close and pet. We all enjoy this fun day.

Muffins for Mom in a bag

The children will be bringing home a special bag with some treats and muffins next week for them to share with Mom, Grandma or the special person in their life. Be sure to share pictures with the teacher.

Special Days...

We will have one last day for school shirts or wear something else that is purple on May 5 and 6. Then on May 17-18 we will show our Patriotic Pride by wearing red, white and blue.

End of the Year

Each class will have an end of the year class party with a special treat on one of the last days of school before they say goodbye to their teachers and friends.

Next year

If you are enrolled in our preschool for the fall and your plans change, please give us a call and let us know as soon as things change. You will receive paperwork from us in July. It will have the rest of the registration sheets and other information about Open House. School will begin on Tuesday, September 7. The preschool office will not be open everyday throughout the summer. Jennifer will be in and check phone messages and emails during the week, so please leave messages and she will get back to you in a few days. Be sure to follow us on Facebook at HMUMC preschool or our website at HMUMC.org/preschool for updates and any Covid policy changes. Thank you to all of you who help our preschool be a place where children can learn, grow, and be loved!
