

## Flight 4.5 - Unqualified

March 6&7, 2021

**Focus Theme:** Identity — Knowing who God says I am.

**Focus Point:** I am called!

**Bible Story:** Pardon Me ~ Exodus 4:1-17

**Quote of the Month:** “But you are a chosen people, a royal priesthood, a holy nation, God’s special possession, that you may declare the praises of him who called you out of darkness into his wonderful light.” ~ 1 Peter 2:9

### THINGS TO THINK ABOUT...

Read the Bible story in Exodus 4:1-17

Moses had trouble speaking, He didn’t think he had the tools to do what God had called him to do. But God gave him what he needed to become a great leader. When God calls us to do something, He will always give us what we need to make it possible. Let’s talk a little bit more about our Bible story.

Did Moses look like a person who was called to lead others based on his outward appearance?

How did he feel about himself inwardly? Have you ever felt this way?

Have you ever had other people make you feel less than who you really are?

Who is greater than all of these people who make you feel less than who you really are?

What does God want us to do?

Moses may not have felt like he had all the gifts and talents he needed to do what God had asked him to do. But God had CALLED him because he knew he could do it.

**SAMPLE PRAYER:** Dear God, thank You for calling us and having a special plan and purpose for our lives. Even when we feel unqualified, help us remember you will give us everything we need to do what you have called us to do. This week, help us to love those around us. Let the love with show through our words and actions help people know how much You love them. We love you. Amen
