AVERAGE WEEKEND ATTENDANCE 10,179

ON-SITE 4,829

ONLINE 5,350

The Worship & Production and Creative teams had the incredible opportunity in 2020 to re-invent and increase our online approach as a result of sheer need due to COVID. One highlight was towards the beginning of the shutdown when what normally is a hugely attended service - Easter - had to be switched to online. We knew that we needed to do something special and we were able to create an intimate, warm service that allowed viewers to feel connected, even through their screens.

This year we had the opportunity as we reached out online to minister to so many children that were isolated at home and to hear from families that have never attended Hope. Living in Central Illinois, one of these families in particular had to get creative in ways to keep their family connected after their home church stopped meeting in-person due to COVID. During a last minute Sunday morning search, they stumbled upon one of our Hope Kids services on YouTube! The whole family became hooked instantly, and Hope Fellowship soon became a new home for the entire family. At the beginning of 2021, their home church opened back up but they continue to be part of the Hope Fellowship family from states away, and still tune in with us weekly!

COMPLETED CONNECT TRACK

419

A woman who came to Hope after a long time away from church started attending in 2019, went through Connect Track, got baptized, and started serving. She told us that the family she made at Hope in 2019 saved her from 2020. She said she was in such a dark place before Hope, that she didn't know where she would be or what she would have done in 2020 without her renewed relationship with the Lord and the friends she made... all from Hope.

RE:GENERATION

409

BENEVOLENCE

94 people/families assisted with basic needs (rent/mortgage, utilities, auto expenses, etc), at a total cost of $64,324.

45 people/couples assisted with counseling at a total cost of $17,912.

MISSIONS GIVING

$1,495,040

Includes:
- Missions, outreach, and next generation development.
- Financial support for over 88 missionaries and mission groups.
- Investment into 4 church plants.
- Financial support for our ministry partner ARC, who planted 57 new churches in 2020 (35 live and 22 online).

THANKSGIVING PROJECT SERVE

2020 was an unprecedented year for all. We love that not even a pandemic or quarantine can keep the church from reaching out into the community to serve others. In addition to the ongoing support Hope provides to missionaries around the world, additional money was sent to churches and ministries we partner with to help feed and care for families all over the world suffering due to the pandemic. These countries include Bangladesh, Honduras, Costa Rica, and India.

ANNUAL BUDGET

$13,372,835

***we paid cash for the Prosper property in February 2020**

There is one word that describes 2020 at the Prosper campus - CARE. In 2020, I saw the Prosper Campus care for people in many amazing ways. Our campus gave time and money to our Project Serve events, and donated to Cornerstone NCT and all of the other organizations that Hope partners with to a degree that truly amazed me. Our campus also responded to the needs of people both inside and outside of our church by giving to families that lost their homes in fires, providing meals to people sick with Covid, as well as blessing people who lost their job or were furloughed during the pandemic. I think that every charitable organization in Prosper has Hope attenders actively serving with them, which is just amazing to see. - Mike Martin, Prosper Campus Pastor
