

One of the things we can do to build unity in the body of Christ is to pray together. Will you join me in praying these prayers for unity, knowing that kingdom disciples around our country are praying them as well? Words matter. Prayers have power. Let's all stand together, speak up through collective prayer, and seek God's hand of healing in our land.

MONDAY

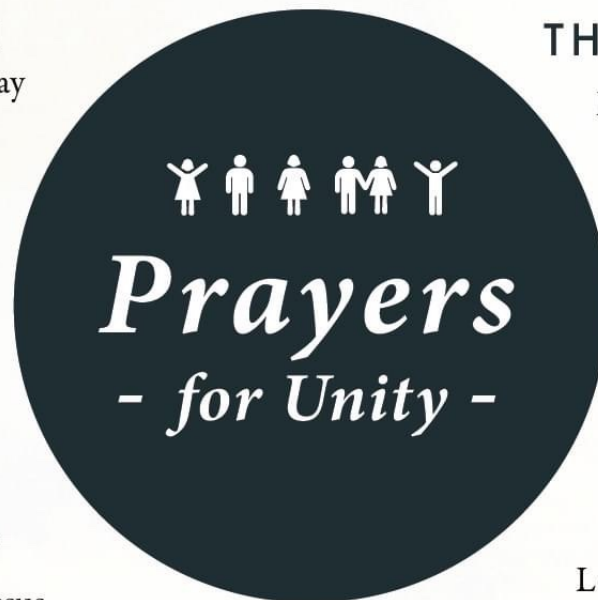

Lord, help me to model unity just like Jesus did. Help me look beyond my own comfort zone and experience the strength of diversity. Make my voice one that encourages living in the power of unity. In Christ's name I pray this.

TUESDAY

Lord, make my heart righteous through an intentional pursuit of unity. Use my life as a testimony of unity to others, and give me wisdom on how I can contribute to strengthening the community around me, including this nation. In Christ's name I pray this.

WEDNESDAY

Lord, my purpose is to glorify You and to make Your name known through the love I share with others in your name. Joy and peace come as we seek unity and live in a spirit of oneness. Let me walk in that oneness and experience its fruit. In Christ's name I pray this.

THURSDAY

Lord, I ask that You help all who are called by Your name to live without divisions among us. Help us to be rooted in Your Word and Your truth. Let falsehood and lies be obvious to all. Give us discernment to know Your truth. In Christ's name I pray this.

FRIDAY

Lord, I come to you in repentance for the disunity we have allowed among ourselves. I repent of our silence—the times we have not spoken up for unity when we were given the opportunity to do so. Forgive us for walking in division, hatred, spite, arrogance and animosity. In Christ's name I pray this.

SATURDAY

Lord, You have told us in Scripture that our unity lets others know we are Your followers. May this become manifest in my life and in the lives of my family members, fellow church members and believers all across our nation and around the world. In Christ's name I pray this.

SUNDAY

Lord, may we in the body of Christ be more unified than ever before and lift up the shield of faith to defeat the destructive forces that seek to divide us. Christ's name I pray this. ■
