Participants of the group will have a chance to weigh in on the topic at the end of his presentation. The only book needed for this class is the Bible. (Zoom link: <https://bit.ly/3oLwxJt>)

Devoted - Public Reading of Scripture- Part 5 (Room 201/202 - Dave Crossett)

In light of Paul's command to Timothy for him to "Devote yourself to the public reading of Scripture..." (! Tim 4:13), this class will do just this. During class time, we will read sections of scripture aloud with time for questions and discussion as we go. The hope is that the usual "10,000 foot view" will provide new perspective on the big picture. The only book needed for this class is the Bible. (Zoom link: <https://bit.ly/3trEC9G>)

The Gospel Project - Volume 1 'From Creation to Chaos'- (The Grange - Various Facilitators)

The Gospel Project for Adults/Young Adults is a study of the Bible in which every lesson "shows God's plan of redemption as it unfolds through out Scripture". In this quarter's study, 'From Creation to Chaos', we return to Genesis and start anew in the beginning where "God created everything for His glory and our good. But when sin entered the world, creation appeared to be ruined. Out of the ruins, God made a promise: that through one man's descendant, God would bless the whole world—and restore the good creation He made. Through this study, your groups will discover the truth that nothing is outside of God's plan or control to redeem creation from sin." Book Donation \$5 (Zoom link: <https://bit.ly/3oPmaEy>)
