Several times in the Bible Christians are encouraged to move on from simple teaching (aka milk) and learn deeper truths (aka meat). We are going to take this charge literally by coming together at the Sewell's house (901 S Coats Rd. Oxford MI 48371) to grill meat and eat food while discussing the deep questions we have about God. Bring a piece of meat for Jason to grill and your deepest questions and let's enjoy the evening together.

29:7 Service Trip	July 30 at 8a – August 5 at 9p	Who: MS and HS	Cost: TBD
Jeremiah 29:7 says, <i>"seek the welfare of the city where I have sent you into exile, and pray to the Lord on its behalf, for in its welfare you will find your welfare."</i> This year the Student Ministry will be serving the local community of the greater Detroit area. Just as in years past we have traveled to Kentucky to serve Menifee County, this summer we will embrace those around us with the love of Jesus and serve many of the local ministries around us that do Kingdom work. This is a serious trip for those who want to grow deeper in their relationship with Christ. More details to come soon!
