Walking with Jesus: Term Four

The Aim of the Unit

This Unit of Study 'Walking with Jesus' will continue from where we left off in term three. We will continue exploring how to think and live as Christ-followers where we have been placed. So far, we have seen via the gospels; how Jesus Christ related to those He came into contact with, as revealed His reason for being on earth. He is now heading toward Jerusalem and the struggles that lay ahead of Him. As we continue walking with Him, we will learn how to grow through our struggles.

We have been looking at what does it mean to live as Christ-followers. This is something that the first Christ-followers needed to learn as they walked with Jesus. We will continue walking with Him as we read through the gospel stories together, listening to what the Holy Spirit is saying to us today, and obeying Him.

This Unit of Study will use a method of imparting information, class discussion and interaction, some practical application and response. This Unit of Study aims to explain what it means to walk with Jesus daily. One of PenCC's primary goals is to "Develop a pathway for discipling, connecting and equipping for daily life and understanding the Truth about God". Ask yourself if you are fluent in your daily walk with Jesus.
