

January 6 - 26, 2020

Church On Five has a great desire to be a church of prayer and to become people shaped by praise, gratitude, trust and faithfulness. We long to see our city experience renewal and be awakened to the presence of God. We are so glad you are joining us as we dedicate the next 21 days to prayer, intentionally seeking and listening for God's voice and actively participating with him to bring hope and healing to our city.

Each day you will have a scripture verse or passage to pray through. (If you would like to receive daily email reminders, email Pastor Deb at deb@churchofive.ca to sign up). As well, each Sunday morning (January 12, 19, 26) you are invited to meet us in the Prayer Room to experience the communal power of prayer.

You may find it helpful to keep a journal during these 3 weeks and write out your prayers as well as record what you are hearing from the Lord. You may also want to add other disciplines such as fasting or silence to your journey of prayer... it is up to you!

We enter into this season of prayer with great anticipation and expectation that God will speak, and move and we will discover greater depth in our walk with him.

Thank you for stepping out in faith with us!
