

# FOREST HILLS Bible Chapel

**COVID-19 Update: 11/20/20**

Dear Chapel Family,

After much prayer and discussion regarding how best to respond to the surge of COVID-19 cases in our area, the wave of hospitalizations, and the quarantine recommendations from our medical community and local leaders, the elders have decided **to cancel all in-person services** for the **next 3 weeks (through 12/11/20)**.

We're grateful, however, that we can continue to meet for our 10 a.m. Sunday services via livestream. Please plan to join us each Sunday by using this link: <http://fhbc.church/live-stream>

During this time, we also ask **groups** to please **refrain from using the chapel**, yet encourage you to **continue to meet virtually**.

This decision was very difficult as the elders have a burden to see the church gathered for worship, prayer, mutual encouragement, serving, and edification. But we're also deeply concerned for the physical health of our chapel family members, and believe this is the wisest course of action at this time

We recognize that some of you will be relieved by this decision and others will be disappointed. And we empathize with you and regret any hardship this may cause for you and those you love. Please reach out to us if we can assist you with staying connected or help in any way.

The elders plan to **reconvene on December 10 to re-evaluate** our plans for in-person services. We will provide an update for you following that meeting.

Also, as an added way to stay connected and to collectively seek the Lord in prayer, we invite you to join us for pre-service prayer. This regular prayer gathering happens before the Sunday service at 9:30 a.m. It would be such a blessing if you could join us! Here's the link to participate (via Bluejeans): <https://bluejeans.com/6169704944>

We love you chapel family! Thank you for all the ways you continue to serve Jesus, worship Him, and care for others during these challenging times.

In Christ's Love,

The Elders
