

## Third Grade Summer Reading List

***“There once as a world where everyone loved books, even the animals. Everyone loved to read so much that when they read their books, they became what they read. When they closed their books, they became themselves again...only smarter.”***

***The World that Loved Books by Stephen Parlato***

**Reading good literature can open the mind to the imagination and allow you to explore new places and new ideas. It gives you the opportunity to learn and grow. In the grammar school at Libertas we want to instill the love of reading great literature by providing books that ignite the imagination in our students. Summer is a great time to read books and continue learning while we are taking a formal break from school. Provided below is a list of books. Please choose one book from this list for your child to read. Please list the book read on the line below and sign this paper. You can return it to your child’s teacher either Ice Cream Social night or the first day of school. This will be counted as an assignment for first quarter.**
