

What is Legacy Partners?

Legacy Partners is a ministry to *Libertas Christian School*.

There are two types of **Legacy Partners**:

1. A **Legacy Partner** – This is someone who gives to the school on a monthly recurring basis.
2. A **Legacy Builder** – This is anyone who gives to the school on a basis other than monthly recurring. Their gift can be financial or “in kind.”

Both types of **Legacy Partners** are important to the school, but for different reasons... and it is possible (and likely) that many supporters will be both a **Legacy Partner** and a **Legacy Builder**.

A **Legacy Partner** gift is generally going to be smaller, and because of its monthly routine characteristic, brings predictability and stability to school financial planning.

A **Legacy Builder** gift is generally going to be a one-time gift that meets an immediate need such as when food is donated for an event, a year-end financial gift, a matching challenge financial gift, a financial gift for the soccer field or performing arts, etc. A **Legacy Builder** may give on a routine annual basis, but because it is difficult for the school to distinguish the difference between a one-time annual gift and a routine annual gift, both are considered a **Legacy Builder**.

Libertas Christian School would not be possible without the **Legacy Partners** ministry! ☺
