FROM THE PASTOR

He comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God.
2 Corinthians 1:4 (NLT)

Every Christian has a testimony that can encourage others, but we are not always consistent in recognizing opportunities to tell others how God brought us into a personal relationship and the difference it has made.

With that in mind, we are making it easier than ever to influence scores of people – near and far – with our personal testimonies through our church website and social media platform.

Throughout the month of May, we will be teaching you to write a brief testimony about how God met you at a critical time in life and rescued, renewed, and restored you by His grace and mercy. Then we will go public!

Since most of us are more alike than we know (or care to admit), our personal testimonies have the power to help others who are facing similar trials. Our plan is to record brief conversations about specific questions and share them on our platforms in order to generate discussions and provide hope for others.

Don't worry, we will guide you and it will be painless. Also, it just may be the message God uses to change someone's eternity

Bro. Jerry

FROM THE STUDENT MINISTER

This has been an exciting semester!

- We were thrilled to baptize one of our students on Resurrection Sunday and have more coming soon. God is at work among our young people. I praise God for the kingdom conversations and biblical discussions we have engaged in on Sunday mornings and Wednesday nights. The Spirit is doing a new and powerful work among our students. (Ask one of them about what God is doing in their lives!) I look forward to seeing what the future holds.
- Thank a volunteer. We couldn't do this ministry without our faithful volunteers that show up and serve every week.
- This summer we will be attending youth camp at Highland lakes. Their moto: Moment, Mission, Movement will help challenge our students to take captive every moment for Christ, live out their mission in life, and join a movement of God in their communities. Start praying now that God will use this important week to fan the flames of his Spirit moving among us! If you are interested consider helping financially sponsor a student to attend camp.
- VBS is coming! Attend our volunteer meeting May 4 at 4:30 if you want to know more details.

Thank you for the privilege of serving here at Central. As the school year winds down please continue to keep our students in your prayers.

Onward!
