

Calvary Bible Church Serving Agreement

Calvary Bible Church's mission is to glorify God, love people, and make disciples, coupled with a vision to build a committed worshiping community, by providing instruction in the knowledge and application of the Word of God, leading to instruction and opportunities for involvement in evangelism, and to meet the physical and spiritual needs of the local body, and equip members of the local body for specific areas of service.

We believe our volunteers play a vital role in our church ministry and guest experience, so it is very important to us that we are aligned and compatible concerning the mission and vision of Calvary Bible Church. Therefore, we require that our volunteers comply with these expectations and model these beliefs in your service and interaction with guests and other volunteers.

The following guidelines have been established to ensure that we offer a safe and secure environment to all those who participate in the ministries of Calvary Bible Church. Opportunities to serve are permitted under the following conditions:
