Volunteer of the Month

There are quite a few members of our church that never miss a volunteer opportunity. These members see areas of need in our church and do their best to fulfill that need. They do not ask what needs to be done but rather search for ways to help make our church a better home for people during their spiritual journey.

One person that stands out is Michael Decker. From teaching classes to cooking dinners, Decker is been a big part of our FCC family. We want to thank Michael for all the hours he spends helping our church grow and flourish. His work and efforts have not gone unnoticed. The security team, Band of Brothers, Sunday School, and more would be incomplete without him.

A Note from the Pastor

2 Timothy 4:7 says,

"I have fought a good fight, I have finished my course, I have kept the faith."

This is a verse that is read a lot at funerals and memorial services, but I think that it should be relevant every day for us. Daily there are challenges and distractions that the enemy will surround us with. Rather than let these nuisances break us and steal our joy, let us keep focused on the task before us, KNOWING that one day we will reap the rewards that the Heavenly Father has for us. Keep pressing on toward the HIGHER calling of the Lord Jesus Christ.
