

## Final Preparations for Camp

It is the week of camp!!! We cannot wait for this very special time for your Students! The last few weeks have been full of planning, praying, training and preparing for an incredible few days for each of your middle school and high school students. This week, we will be in communication with all of you through email and group-wide text messages to ensure that you have all the information you need to successfully prepare your Student for their time away at camp. Make sure you read all communication thoroughly and completely, so that you do not miss any needed information.

To begin, we will plan to be on the bus and on our way to the Ocoee Retreat Center by 9:15. **That means, all families must be at the church with their camper ready to go between 8:20 and 8:30 am.** I must stress the importance of our group staying on schedule as we depart. As most of you know, RockPoint shares our building with another church that meets on Saturdays. Due to this church starting their morning services on Saturday at 10 am, we need to be cleared out of the parking lot by 9:15 am to ensure that we do not impact their worship service and continue to show respect toward those we share our space with each week. Thank you all in advance for helping us in this way!

### A Few Items to Check Off “BEFORE ARRIVING” on Saturday:

1. **SUBMIT “ORC Waiver Form” and a front and back of “Insurance Cards”** emailed so that we can have all paperwork organized prior to departure. The waiver form can be found on the camp website ([www.rockpointcc.org/camp](http://www.rockpointcc.org/camp)). Take a picture with your phone or scan and email to [Laura@rockpointcc.org](mailto:Laura@rockpointcc.org). Send in by *Wednesday July 7th*.
2. **REVIEW “WHAT TO BRING” LIST:** Make sure to utilize the camp website ([www.rockpointcc.org/camp](http://www.rockpointcc.org/camp)) as you plan and pack.
3. **LABEL ALL ITEMS THAT YOU SEND WITH YOUR STUDENT:** In order to minimize lost and misplaced items, we would like for all campers to have all their items labeled with their name. With your students sharing rooms with the other students within their small group, it will be very easy for belongings to get mixed up.

4. **SIGN UP - PAINTBALL REGISTRATION:** Finally, your student will have the option to play paintball while at camp. This is an optional activity; however, we need to have a count of how many students would like to play. You can respond for your student by clicking on the attached link to the Google form. If your student chooses to play, please make sure to pack long sleeves and pants for paintball play.

Attached to this email is the contact list for RockPoint Staff as well as the Camp Group Leaders that will be in attendance at camp. Communication will be fairly limited due to the Ocoee Retreat Center only having signal for Verizon cell phone users. **Two Verizon cell phones have been purchased for both RockPoint Staff members so that families are able to get in touch with their Students and vice versa as needed.** These numbers are found on the document attached to this email. Please print a copy of this list and have them available to you in case of an emergency.

If you have any additional questions, please do not hesitate to reach out. We cannot wait for Saturday and are greatly looking forward to all that God has planned for each Student during this time.
