Talking About Jesus

Three Realities to Remember

God is working - **always working** - we must join him

God is with us - **always with us** - we must know him

God is able - **always able** - we must trust him

What did sin do? Three undercurrents of death.

Sin brought **death**

Shame

Fear

Anger

When the design of God was broken **Five questions** formed within us, **all of us**.

Where did **I** come from?

This is a question of **purpose, meaning, value and significance**.

Every religion, science, philosophy and superstition has an origin story.

God's begins with... "In the beginning God" -

What is wrong with me?

This is a question of recognition of calamity.

Every religion, science, philosophy and superstition has a calamity story.

We all know three human realities

This world is not as it should be - broken.

People are not as they should be - broken.

I am not as I should be - broken.

How do I fix this mess?

This is a question of rescue.

Every religion, science, philosophy and superstition has a rescue story.

Ours begins in the heart of God before the foundation of the world

Is promised to Eve and Adam

Is initiated with Abraham

Foreshadowed in the OT, revealed in Christ and carried by the church

What are the values **by which I live?**

This is a question of **navigation**

Every religion, science, philosophy and superstition has a navigation story.

All values are a response to someone or something.

What happens **when I die?**

This is a question of **destiny.**

Every religion, science, philosophy and superstition has a destiny story.

Ours is a story of life.
