

WELCOME TO THE PAAC APP!

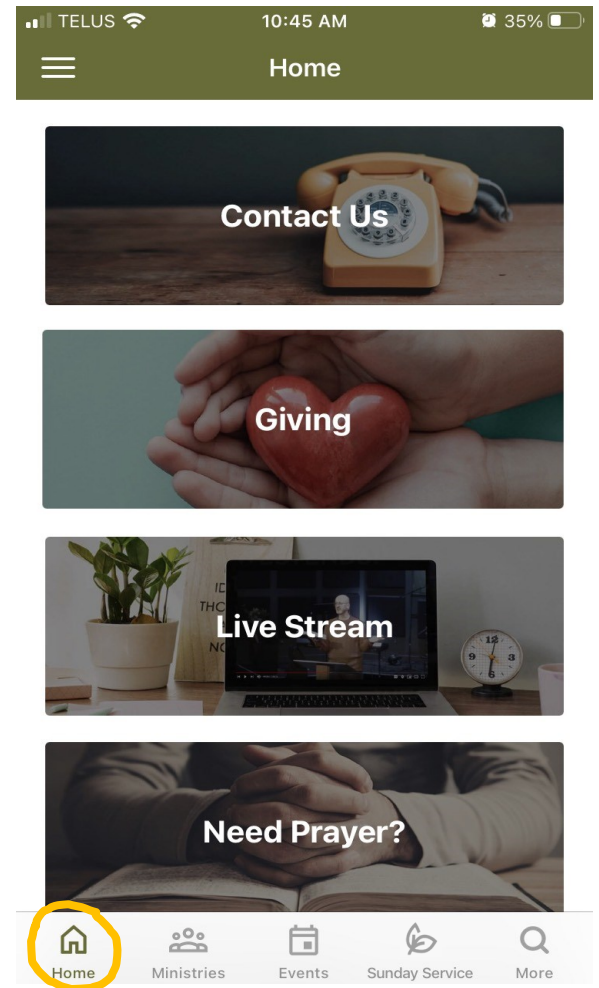

NAVIGATION MENU:

The Navigation Menu can be found at the bottom of your screen, it is used to switch between different menu tabs.

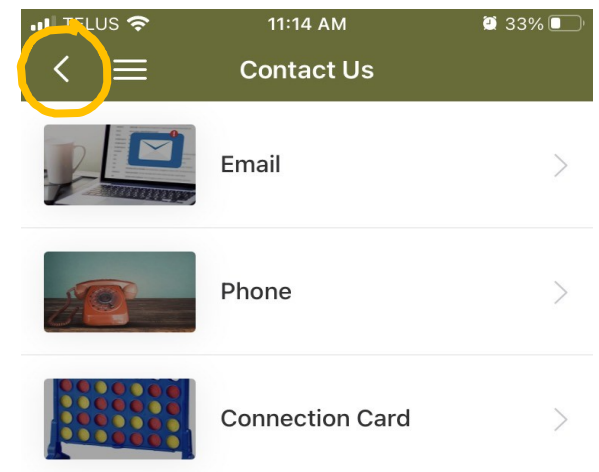

HOME TAB:

Welcome to the Home Tab! When you first open your app you will see this page. The Home Tab is dedicated for a few quick access points that we think you might use throughout your week.

BACK BUTTON:

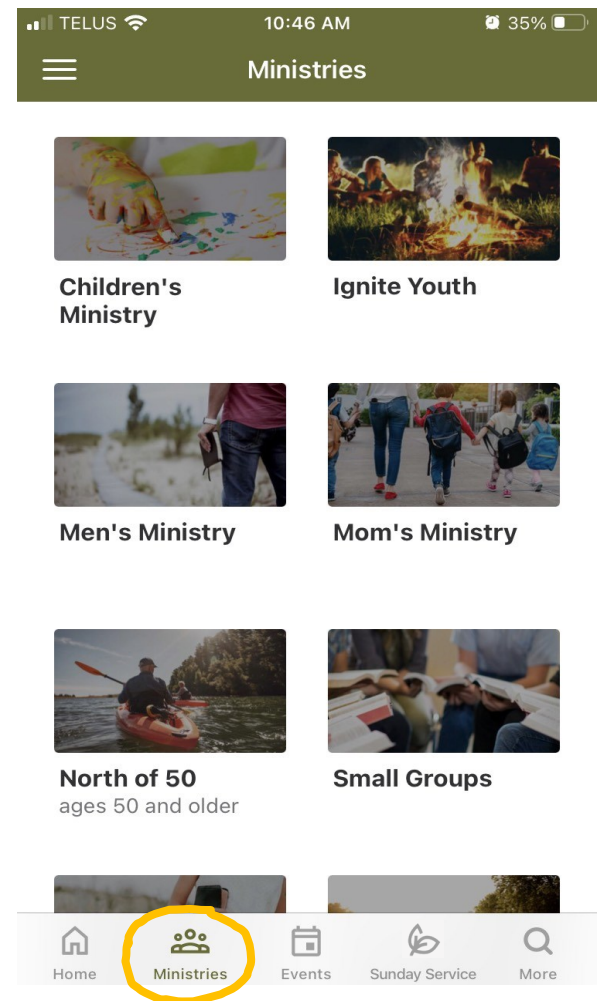

The back button will appear in the top left corner once you make any selection. By clicking it you will be directed to the menu tab you were just on. (ex. contact page on home tab)

MINISTRIES TAB:

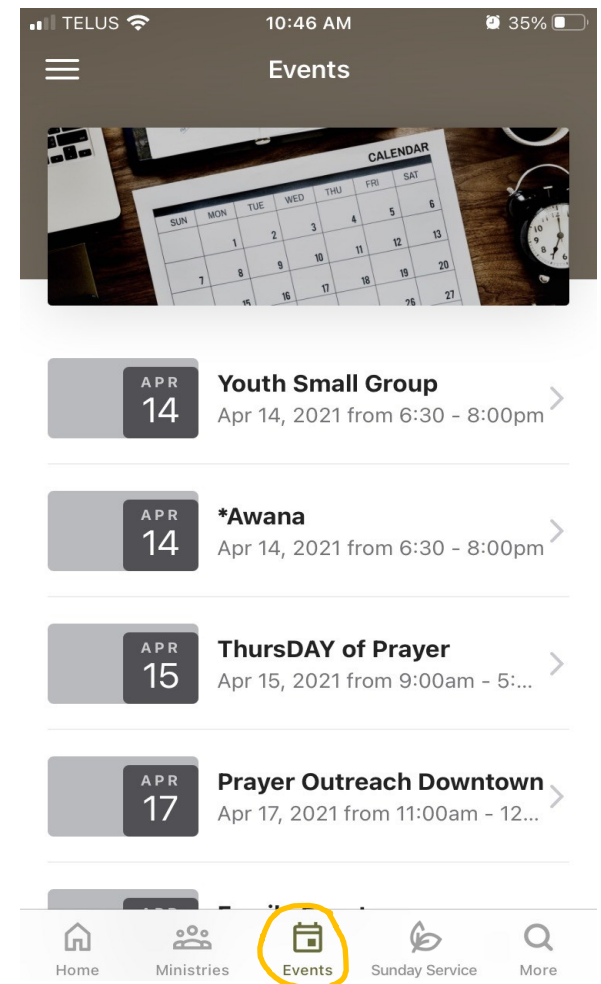

On the Ministries Tab you will find a list of the ministries that PAAC has to offer. By clicking on each photo, above the ministry name, you will find info for each ministry. Click the back button in the top left corner to be brought back to the Ministries Tab.

EVENTS TAB:

Think of the Events Tab as the churches calendar. By keeping an eye on this page you will never miss hearing about an event ever again. You can click on any event you want more information about.

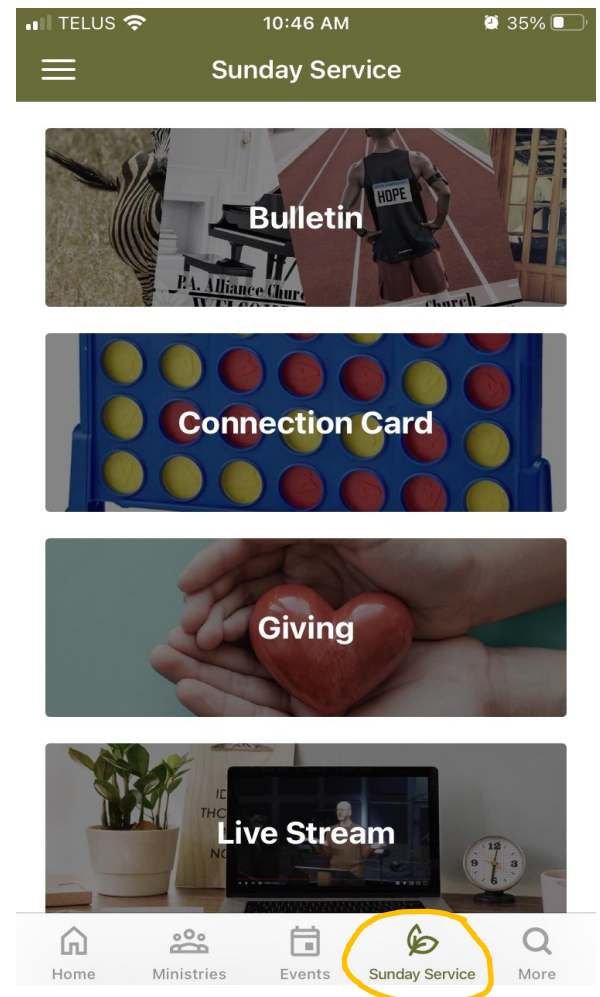

Note: All events with an asterisk (*) before the title are online only events.

SUNDAY SERVICE TAB:

The Sunday Service Tab is dedicated to everything you will need on a, you guessed it, Sunday Morning. We hope you will find this info you helpful when worshiping with us either in person or from home.

MORE TAB:

There were some things that we felt did not fit under the other tabs so we included them under the More Tab. If you could not find the info you where looking for anywhere else in the app there is a good chance you will find it here.

Still can not find what you are looking for, contact the church office and let us know your suggestions.
