

“Made to Evangelize”

with Dr. Jonathan Baldwin

DESCRIPTION:

What a joy it is to share the gospel. Evangelism provides an opportunity for glorifying God and seeing lives changed. Katherine Hankey once wrote about the gospel, “I love to tell the story; ‘tis pleasant to repeat. What seems each time I tell it, more wonderfully sweet.” In *Made to Evangelize*, Pastor Jobal will explore the biblical gospel, how to share the gospel, and how to love the lost.
