 MOVE

CY

Jesus came to earth with a message. His message was broadcast in many ways -- conversations with friends, sermons to the crowds, and miracles healing the hurting. Jesus also proclaimed his message through stories — tales with hidden meanings and deeper application to life. Jesus' parables tell us so much about who he is and life in his kingdom. When we hear Jesus' stories, we are forever changed. Our lives are given purpose, meaning, and a mission. Changed lives become a broadcast about him to the world.

# General Information

We are so excited about our CIY Move trip this summer! If you are unfamiliar with this event, CIY Move is a 5-day, High School-only event designed to amplify Christ's call on students' lives to become kingdom workers. CIY Move does this by providing worship times, small group times, free time, and an environment for Youth Groups to do various things together. It is a great time for students to worship together and discover ways that God can and will use them for His kingdom. Plus, it's just a fun trip!

As you can see, the dates for this trip are **July 25-30, 2022**—though we return early the morning of July 30. This packet should have everything that you need to know, starting with the list below. If you have any questions, or questions arise as the event draws closer, please let us know!

## What about Financial Aid?

Due to the generosity of our congregation, we are able to offer financial aid to some students for CIY. However, we would ask this: Please pay as much as possible. The more people who can pay allows us to take more students to MOVE!

Depending on the situation, in some cases the High School Minister may be required to contact the police. The parents or guardians of any students sent home are responsible for covering the cost it will take to send a student home from CIY, whether that be through bus, rental car, flight, etc.

# Frequently Asked Q's

## **1. *What is a typical day like at CIY Move?***

A normal day will include breakfast, CIY's "Morning Show," a morning worship session, small group time, lunch, class electives, free time, dinner, an evening worship session, and youth group time. During free time, we will have some time to chill, but we will also take some time to explore the Corvallis area. We have some other things planned, but we don't want to give away too much!

## **2. *I'm a parent, and I am not sure that CIY Move is safe. What can you tell me about that?***

We understand. It seems sketchy to send a student on a trip...in a bus...to Oregon...with a bunch of other High Schoolers... But, we take their safety, security, and experience very seriously. We will be taking adult leaders on the trip who will be assigned a group for the week. Those leaders (each leader usually has around 7 students) keep track of students and make sure things are happening in a safe way. Each leader has a cell phone so they are connected. We also do things like "roll call" anytime we enter the bus or move somewhere together as a group. Rules and boundaries are clearly stated at the beginning of the trip and with each stop. Our housing arrangements—at Oregon State University—are in safe and secure dormitories. The ECC staff and volunteers, along with CIY staff and the Oregon State security, work hard to make sure that this trip is safe for students.

## **3. *That's a lot of money. What all does it include?***

This cost includes CIY's price, which includes programming, meals, worship, and lodging. It also includes transportation to CIY Move, and we actually give some of this money back to students during the beach trip and on the way back to Boise for meals. This helps make sure that no student goes hungry during the trip! Students are encouraged to bring extra money for t-shirts, music, extra food, or anything else they might want to buy.

## **4. *I'm not sure I can pay that much. Can I get any help or raise any money?***

We do have Financial Aid available for CIY Move. We do ask that each student pay as much as possible, so that we can bring as many students as possible. If your family needs assistance for CIY Move, please contact a staff member and ask for a Financial Aid Request form. Raising money is also a fantastic option. We do not do any group

fundraisers, but encourage students to raise money on their own. Figuring out how to pay for the trip also helps students feel invested in their experience while they are there.

### **5. *How do we travel to CIY Move?***

We want students to have a safe and comfortable trip to CIY; therefore, we don't take our old school bus. We will actually rent charter buses that come with professional drivers who will take care of us all week!

### **6. *What about things like cell phones, iPods, or game consoles?***

Here's the deal. We live in a world where cell phones are pretty necessary. They help parents feel better and give students an important means of communication during the event. So, cell phones and iPods are allowed (let's face it...it's a long drive and being able to zone out once in a while is good). That said, while cell phones are allowed, students are discouraged from using them during worship, small groups, and youth group time. Take the time to enjoy the people around you...you can cruise TikTok, play Candy Crush, or text the fam some other time. If we see excessive phone use, we will be asking you to take a break from it. In some scenarios where a student will not stay off of their phone, a leader may ask to have it for the duration of whatever part of the program we are doing.

One final note: An unfortunate thing in today's world with cell phones is the easy access to sexually explicit images or pornography. We also recognize that bullying—cyber and in-person—is a real, serious thing. Any student caught sharing, viewing, or looking up sexually explicit images or pornography or bullying others will lose their cell phone privileges, and a staff member will contact their parents regarding this. We'll handle it with grace and love...but we take these things very seriously. In some cases, students may need to be sent home.

### **7. *Why should I go to CIY Move?***

Simply put, CIY Move is a chance to experience God in a fresh, exciting way with other people. Yeah, you can do that at home or at youth group...but often we don't. Sometimes, getting away from distractions can be one of the greatest things for our walks with God. In addition to this, CIY Move is just a fun trip; it's a blast to be together, explore the area, watch CIY's "Morning Show," and possibly even visit the beach!
