CLYDE'S ARTICLE

And just like that, November comes to an end. It is sure going out with some nice days! I even heard Wednesday we might set a new record for December 1st for a high temp. It is hard to complain about all that. December is here and we are doing Christmas. These holiday times get very full and before you all know it, we will be done and moving on to a new year. I hope you all did have a nice Thanksgiving with friends and family. We made our annual drive to O'Neill, NE and had a great time with our family there. We played some Bingo and had some awesome food. It is a long day though, I will admit. All that driving is not fun. I am sure many of you do that same thing. Drive a long way to have time with people you care about. It is what we do...because it really should be what we do. I am not going to complain about that, because you never know how many more times we will do that. Life keeps changing as you all well know. These are the gifts we share together right now, and we need not take that for granted. I am not! Now, let's do Christmas!

Sunday morning, the choir sings. We have been doing this for several years now. I am not sure how long, but a lot! We have a smaller group this year, but not by much. We started a little later this year with COVID and all, but I think people are still just being cautious. I can't fault anyone for that. It is still one of the best groups we have put together. We are looking forward to singing for all of you this coming Sunday at the 9 and 10:45 services. I did announce that we will not be doing our regular 8am service this coming Sunday. We are inviting that group to join us for a wonderful morning of Christmas music. This year we are including the audience in a couple of carols during the concert. It is a morning of song. We often hear that we don't get to sing enough Christmas songs during this season and so we are making it a point to do as many as we can this coming Sunday morning. It would be a good Sunday to invite a friend. The choir is very good and the music chosen is very challenging. We have pushed and they have responded well. You are in for a treat.

Have you noticed the sunrises and sunsets lately? Have they not been amazing? The colors are amazing. A true work of a master artist. When I was back hunting, I would just marvel at how that all unfolds...little by little the colors began to show. Then, for a few moments it is just specular. I love that! God is good! Give Him the Glory!

Heather's Kid's Christmas program is Sunday afternoon 5pm. It will be a full day. She has worked hard to make this work this year. There is so much going on with the kids and so difficult to get them together. I hope you will come out and join us, as the kids do what only they can do so well at Christmas. It will be a celebration for sure!

Sunday's message is right in the concert itself. The scene this week is the angels who sang for the shepherds. No one even paid any attention to what was happening in the village of Bethlehem. A couple of travelers who found a stable to rest for the night and the baby came. Who noticed? Heaven came down...angels couldn't hold their excitement...shepherds were told...now they are excited! We'll talk more on Sunday, have a great week!

A book titled Knit, Pray, Share was placed in the library return slot. We don't know if it is a misplaced item or a donated item. If you left it there, please let a librarian know so we can either return it or add it.

The library has a shelving dedicated to Christmas items. This is near the kids section and is one side of one of the movable shelves. This includes videos, fiction and nonfiction books, and plenty of kids books. This is a great way to enjoy the season and keep the focus on the true heart of Christmas.

With breaks from school approaching (and someday colder weather), it is a good time to look at the variety of games available for check out.

Let us know how we can help you.

HEATHER'S UPDATE

Hi Everyone!

The big news for the week is that the Christmas Program for the kids will happen this Sunday, December 5 at 5pm!

Here's what you need to know:

- Everyone is welcome to join us on 12/5/21 to see the kids. The program will start at 5pm. It may not be the most professional of theatrical productions, but it should be pretty fun!
- For preschool age kids, we've been practicing during the Sunday School hour each week. They are singing some adorable songs and will even bring out the jingle bells. They should arrive on the night of the program at 4:30pm and they'll meet in the Children's Wing for one last little practice before the big night.
- For K-5 grade kids, the one big practice is right before the program! We'll get together from 2-5pm on 12/5/21 (the day of the program) to get ready for the main event! We're hoping everyone can learn their line in advance, but if not, that's ok too! You can see all of the songs and parts at: <https://communityrc.org/children> If your child is going to be in this program, please send me a quick email at: Heather.DeWit@CommunityRC.org, just so I know approximately how many kids to expect. But, if you forget to email, no worries. Just join us on 12/5/21 at 2pm! We have all of the costumes and props. We just need the kids to make it fun. We will have a little afternoon snack for the K-5 kids on the day of the practice/ program.

Parts & Lines for each Grade for K-5 Program (Preschool kids have a different part):

- **Everyone:** For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.
- **Kindergarten:** Sheep- It is good news of great joy for all the people.
- **1st Grade:** Angels- "Glory to God in the highest, and on earth peace to men on whom his favor rests."
- **2nd Grade:** Magi- "When they saw the star, they were overjoyed."
- **3rd Grade:** Animals- camel, cow, bird, etc.-"she gave birth to her firstborn son and wrapped him in swaddling clothes, and laid him in a manger, because there was no place for them in the inn."
- **4th Grade:** Shepherds: "Let us go to Bethlehem, now, and see this thing that has happened, which the Lord has made known to us."
- **5th Grade:** Mary, Joseph, Innkeeper, Herod, Star, Townspeople, Group Leaders, sign holders, etc.-"In him was life, and that life was the light of all mankind. The light shines in the darkness, and the darkness has not overcome. May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit."

See you soon!

LIZ'S UPDATE

ADULT DISCIPLESHIP & WORSHIP

As we enter into December, (DECEMBER!) I thought it would be a good idea to write just a bit about the upcoming events and schedule changes that happen during the month. That way, you can find this information in one place.

Sunday, December 5, 9:00 and 10:45am

The choir will be sharing their Christmas concert songs during both of these services. This group has worked incredibly hard this year to put together an offering of music that we hope will be a blessing to all who listen. I'm deeply thankful for their commitment to sing. You won't want to miss this! Please note that The Corner will not be open this day.

Sunday, December 5, 5:00pm

Heather will be heading up the Children's Christmas Program Sunday afternoon. For more information, please check Heather's article, but something I do know is that she is only having one rehearsal, which will be held that same Sunday starting at 2:00pm! Kids Kindergarten-5th Grade can participate in that program. (The preschoolers will also be performing, but they've been practicing during Sunday School. ☺)

Wednesday, December 8, 5:30-7:30pm

This is our last night of Mid-Week until we start up again on January 4.

Sunday, December 19 8:00, 9:00, 10:45am

Pastor Clyde and I will be gone this Sunday because we will be participating in Christmas at the Cathedral. But we've made some plans to make this day extra special at Community too! Pastor John will cover the 8:00 service, and Pastor Dennis Thum, who is the Campus Pastor at the University of Sioux Falls, will cover the 9:00 and 10:45 services. You'll also be singing Christmas Carols that morning in celebration of the culmination of Advent. So, even though your pastors will be a bit different that day, it will still be a great day of worship!

December 24, 3:00, 4:00, 5:00, 6:00pm

Christmas Eve Communion services will be held every hour starting at 3:00pm. These are lovely little 45-minute communion services with music and a short sermon from Pastor Clyde. Please note that nursery care will not be provided, but usually these services are very "kid friendly."

Let December begin!

Have a great week!

DOYLES'S UPDATE MIDDLE SCHOOL & HIGH SCHOOL

We are approaching Christmas and it shows on our calendar for church. Our final Wednesday night is December 8th, which means we only have two more weeks before break for the fall. We will be doing a one off message in the middle school and high school group this week and then our final week together will be our Christmas party on the 8th. I will have hot chocolate and apple cider ready to roll on the 8th. Students are welcome to bring along one of their favorite Christmas Goodies for the night. We will be playing some Christmas games as we enjoy our final Wednesday night together in 2021.

Before we get fully lost in the holidays, I do want to highlight an event coming up in February. Our middle school and high school students will have a winter retreat to Inspiration Hills. February 18th – 20th is our planned dates and we will be staying in the basement of the main lodge out at Inspiration Hills. I am working with another youth pastor in town as we plan our retreat! Again, this will be both middle school and high school and I am so excited for the winter retreat. Once we get into January I will officially open up registration. Until then, if you want to mark your calendars it will be a great weekend in God's word, community and winter fun.

That's it for this week. I'm looking forward to all the Christmas things going on around here over these next several weeks!
