Diving Deeper

- What are we saying today? (Love God and Love Others)

1 Corinthians 13:6 NKJV

Love does not rejoice in iniquity (Sin), but rejoices in the truth;

- Is love happy with sin and evil? (No)
- What does love rejoice in? (Truth)
- What is a **Shortcut**? (A different way to get somewhere faster)
- What shortcut was the devil tempting Jesus to take in the desert?
(To worship the devil and get all the kingdoms of the world instead of dying on the cross for us.)
- What would have happened if Jesus didn't die on the cross?
- Have you ever had to decide between the hard way or the easy way like Toby in the video?
