

Hello 6<sup>th</sup> – 8<sup>th</sup> Grade Parents!

We are so excited to be together again - even if it looks a little different. Community is such an important part of growing in our relationship with Jesus. Another way to deepen our relationship with Jesus is by serving others. We believe this is so important and are committed to providing opportunities for your student to serve. One of the areas we welcome student volunteers is in Music City with our Birth – PreK ministry. This is a great opportunity for students to share God's love with the youngest members of our Body.

While serving is very important, we want to make sure your student stays connected with his/her peers through Open Bible and Community Groups and is active in corporate worship on Sunday mornings. We have the same expectations for our High School and Adult volunteers as well. To help your student continue to make these things a priority, we will use the serving schedule below for each age group. All opportunities to serve are during 2<sup>nd</sup> service.

#### 6<sup>th</sup> Grade

- One Sunday a month

#### 7<sup>th</sup> Grade

- Two Sundays a month

#### 8<sup>th</sup> Grade

- Month On/Month Off Rotation

Students who are interested in serving can find me on a Sunday morning in Music City after Open Bible or following 2<sup>nd</sup> Service. We will talk about the ways they can serve, and if they're still interested, I will give them a teen volunteer application. Once they've submitted the application I will be in contact with them about their service schedule.

If you have any questions, please don't hesitate to ask. I look forward to serving with your 6<sup>th</sup> – 8<sup>th</sup> grader!

With Joy,

Ms. Lauren
