

We're Back!

We are so excited to announce that next Sunday, May 10th, we will be gathering in the church building for Sunday morning worship! We've loved our online services, but it will be so good to be together again! To keep everyone as safe and as healthy as we can, our services will look a little different for at least the month of May. Here is what you can expect...

- At this time, we will only have Sunday morning worship services. These services will be family-style, with no children/youth programming or adult Sunday school classes. Chapel services are also postponed for now.
- We've added an additional service so that everyone can attend and still maintain a safe, social distance. We will have services at 8:00, 9:30, and 11:00. Each service will last about an hour and we'll have a team of people who will sanitize the Celebration Center to get it ready for the next service.
- You can RSVP for the service you plan to attend on our website, app, or by calling the church office at 417.358.3912. We encourage you to attend the 8:00 service if you are at higher risk because of age and/or health.
- You will be able to enter the building through the main doors only 10 minutes before each service. Once you enter the building, we'll give you everything you need for the service—bulletin, communion, etc. Our foyer area must remain closed for visiting at this time.
- We'll have alternative seating in the Celebration Center. Please sit at a table as a family.
- Offering time will look different from now on—instead of 'passing the plate,' we've mounted offering drop boxes throughout the Celebration Center and foyer area. Please drop your offering in one of these secure boxes, or set up your giving through our online platform at www.fairviewchristian.tv.
- At this time, our Connection Café will remain closed, and we won't be able to offer free coffee.

While we're so excited to be back together, we realize some might feel uneasy about coming to the building for a church service. We understand! If you feel it is best for you or your family to join us from home, we'll still offer our online service at 11:00. If you're staying home, please continue to pick up your resource kit on Saturday from 10-12.

If you have any questions or concerns, please reach out to us! We can be reached by calling the church office at 417.358.3912 or by emailing Tony at tony@fairviewchristian.net or Heather at hfullerton@fairviewchristian.net.
