Dear CG Family,

I am excited to share with you **GREAT NEWS** concerning an upcoming opportunity for Common Ground Church. We are looking to take the NEXT STEP in establishing a strong foundation for the future of our remarkable church! For 15 years, CG Church has served Sahuarita, Green Valley, and Southern Arizona while seeing hundreds of lives changed and transformed in the name of Christ. Today, I am honored to report that we remain strong in our mission and purpose to... *find **Common Ground** with everyone, doing everything I (we) can, to save some. I (we) do everything to spread the Good News and share in its blessings* (1 Corinthians 9:22-23).

It is a blessing to see the GOSPEL spreading as we make great efforts to connect and care for people in our community. We continue to see people committing their lives to Christ, demonstrated each month by people openly affirming Christ as Lord through baptism. As we forge ahead with our community partners by creating new opportunities to bring transformation to our part of Arizona, we see that this area continues to be one of the most desirable places to live in the United States. Each week, I am so encouraged to see our children and student areas full of young people being reached and disciplined in Christ. Praise the Lord for a new generation of leaders for the faith! CG Church has the reputation of serving our community, and we are looking forward to continuing making an eternal impact.

Now it is time to look to the future and **IMAGINE MORE** by seeking a more-permanent location to serve as our home and base of operations. Imagine the possibilities of...

- Designated space for worship and our Next Generation Ministries
- Connecting with others within a more inviting environment
- Facilities for outreach, discipleship, care ministry, and leadership training
- Visibility to our community

On Sunday, April 3rd, we are beginning our **IMAGINE Campaign**. This will be a 3-year capital funds campaign to raise \$350,000 to secure a more-permanent location for CG Church. This next step will better position our church to expand our ministry, to fulfill our mission, and to be ready for the projected population growth coming to our area.

Our prayer is that God would do **IMMEASURABLY MORE** than we could ever ask or imagine for the gospel in Sahuarita and beyond. Would you begin to pray and consider how God would want you to contribute to this campaign over the next three years and help meet our goal? On April 3rd we will have a **Pledge Day Celebration** where you may make your commitment using the enclosed pledge card. You will also find information detailing the rationale of the campaign enclosed. Please join us as we seek the Lord and ask for His guidance in how He would have us personally contribute to this crucial campaign.

Trusting Him and believing that He will do immeasurably more than we can ask for or imagine as we unite in His power.

God Bless,
Pastor David
