

St. John's Children's Center Summer Program

Greetings to our 2020 summer buddies.....

Here are some important things to Remember

1. All activity fees need to be turned in by Monday, May 4th. All monies received after the 4th will not receive a summer t-shirt.
2. All children will continue in their current classroom for the summer. Your child will advance to the next age level in the Fall.
3. In your child's classroom file you will receive a detailed summary of all charges for the summer. ****Please note that ACH (automatic tuition withdrawal) ends in May and starts back in August. You will need to fill a new form out to restart ACH tuition payments in August. You can pay our summer tuition by check or cash (no credit cards).**
4. There will be No Hot Lunches for the Summer. Please pack a lunch for your child. Remember, we are a nut free campus and we do not heat up lunches.
5. We ask that you apply sunscreen on your child before coming to school. We will reapply sunscreen after naptime. You will need to complete our sunscreen form which allows us to do this. They are available at the front desk.
6. Make sure there is always a clean change of clothes, labeled with your child's name that is appropriate for the season in their cubbies.
7. If your child is staying for nap you will need the following: bottom sheet, light blanket, and a small pillow. Remember to launder weekly.

Daily responsibilities:

- ♦ Sign your child in and out with your first and last name along with the time of arrival and departure.
- ♦ If needed, take your child outside to a teacher so that they may be greeted before starting their day.
- ♦ Watch for notices on the sign-in and out sheets for daily messages, special activities, and unique needs.

Please stop by the front desk if you have any questions.

We look forward to a great summer.
