

HAITI MEDICAL MISSION 2020

May 30-June 6, 2020

Total cost for trip is \$1,500

- **February 1: Non-refundable Deposit \$500.** Because of the high level of interest for this trip, all payments must be received on or before these dates. There are limited spots, making initial deposit puts your name on the list, and the team will be finalized in the Spring.
 - **March 1:** Payment \$500 due
 - **April 1:** Payment balance \$500 due
-

This trip is for adults and middle school youth. The ultimate goal of this trip is to serve the Haitians, medically and spiritually. Medical personnel and those going for the first time will be given priority.

To travel with the team two very important details must be attended to with diligence.

- First, you will need a current passport that does not expire in 2020 (Haiti requires passports to be valid six months after travel, per travel.state.gov).
- Second, you will need to make an appointment for required immunizations (Hepatitis A, Typhoid, Malaria, and Tetanus). Hepatitis B is only needed for those that may come in contact with blood or bodily fluids; usually RN's and MD's only. The cost for immunization is \$100-\$200 per person, depending on where you receive the immunization. A list of locations will be emailed at a later time. Malaria prophylaxis will be provided by the church.

For questions, please contact the church office by phone at 423-877-6232 or by email at office@clearcreekcoc.org.
