

Adult Discipleship Ministry

Group's Ministry Overview

Mission

To reach the next person for Jesus.

Overview

Group's Ministry falls under the umbrella of our Adult Discipleship Ministry. We believe groups are our best tool to make disciples and grow others to be more like Jesus.

Model

Small Groups/Missional Communities: The Gospel moves at the speed of relationship, not the speed of information. We want to intentionally engage our city in ways they are familiar with in an effort to build relationships. We offer year-round study, connection, and discipling opportunities through our on-going groups and missional communities.
