

CCYM High School Domestic Mission Trip 2022

Lincoln Village - Huntsville, AL - July 19-23

COST : \$75 - Covers food, travel, lodging, activities

PLAN : *We will be spending the week serving Lincoln Village Ministry. Lincoln Village has been pouring into inner city Huntsville for decades. The Lincoln Village team runs a school in the inner city, buys up local houses and renovates them for the families in the area to help them back on their feet, and offers coaching and accountability to families who are trying to pursue spiritual, financial, and mental redemption. Because they are a continually growing ministry, there is always work to be done - helping with home renovations and school renovations, connecting with the families in the area, and providing some childcare for families who need it. We will also be taking time each day to hear the riveting story of how Lincoln Village came to be what it is today - and we will also hear the testimony of the Ministry lead, Mark Stearns. And of course, there will be plenty of down time and hang out time for bonding and growing as a group.*
