

## Adult Discipleship Ministry

### Men's Group Ministry Overview

#### Mission

To reach the next man for Jesus.

#### Overview

Men's Group Ministry falls under the umbrella of our Adult Discipleship Ministry. We believe groups are our best tool to make disciples and grow others to be more like Jesus. We also believe men's groups can provide unique discipling opportunities that mixed-gender groups cannot and want to be intentional in making sure those opportunities are available.

#### Model

**Small Groups/Missional Communities:** The Gospel moves at the speed of relationship, not the speed of information. We want to intentionally engage our city in ways they are familiar with in an effort to build relationships. We offer year-round study, connection, and discipling opportunities through our on-going groups and missional communities.

**Combined Men's Gatherings:** Four times a year, we will bring all our men together to supplement our on-going groups/missional communities as well as provide an invitation point both for guests and members. The time together will focus on connection, prayer, worship, and fellowship.
