

RAISING DISCIPLES

PARENTING WORKSHOP

Week 4: Parent Panel

Our church's Mission is to reach the next person for Jesus.

“Start children off on the way they should go,
and even when they are old they will not turn from it.”

Proverbs 22:6 (NIV)

- **Reflections on establishing biblical worldview and family culture.**

- **In our weeks together, we have discussed a few spiritual catalysts and practices. These are reflection on scripture, prayer, serving others, and building community. How did you teach your kids to reflect on scripture? to pray? to serve others? to be in community?**

- **In what ways, did you engage in spiritual conversations and experiences with your kids at various ages?**

- We shared research on how 8 out of 10 young adults walk away from their faith and a gap of irrelevance was identified between faithful habits and the rest of the life. How did you incorporate discipleship into your family rhythm without it seeming “forced down their throats” or like a checklist?

- How did you maintain intentionality during busy seasons or parenting?

- In hindsight, what is something you would have been more intentional about?

- Did you have faith mentors growing up? And how did you decide who could be mentors for your kids?

- In what ways were you able to observe spiritual growth in your kids as they developed towards maturity?

- What have you learned from your kids about God, faith, and being a disciple?

Remember: You are a disciple-maker, reaching the next person for Jesus - starting in your home. Go raise disciples!
