

# RMBC Camp Scholarship Request

We believe that summer and winter camps can be significant in the spiritual development of our students. Scholarships are provided to families/students that may not have the financial means to attend camp.

### Scholarship Policy:

- A Scholarship form must be filled out by a parent/guardian for each student in the family requesting a scholarship. The scholarship essay on page two must be filled out by the student.
- All scholarship requests must be turned in with camp registrations and other paperwork.
- Scholarships are given primary consideration to students of families who regularly attend and participate in the RMBC community.
- Scholarships are distributed to families/students on an individual basis and may vary from person to person based on what the individual can contribute towards the overall cost of camp.
- Except for extenuating circumstances, scholarships are not provided to applicants applying during the late registration time period. Talk to your ministry leader beforehand if applying for a scholarship during the late registration deadline
- All scholarship requests will be kept confidential.
