You've been chosen for a top-secret mission to design a new piece of spy gear to aid in the fight against evil. This gear will need to help you stay on the path of truth, righteousness, peace, faith, or salvation. If you accept this mission, proceed to the bottom of this sheet to help you get started.

**What kind of gear will you design?** A hat, a belt, a watch, something else?

Write your choice: \_\_\_\_\_

**How will this piece of gear be used?** 1. To keep people on the path of truth, 2. To aid in righteous choices, 3. To keep people at peace, 4. To increase faith, or 5. To lead people to salvation.

Write your choice: \_\_\_\_\_

**Now, draw your new piece of secret spy gear in the space provided above!**

**A final note:** When you face day-to-day struggles, remember what you've learned from Ephesians 6:10-11. Equip God's truth, righteousness, peace, faith, and salvation to cover your life like armor. Suit up! And everyone, seen and unseen, will know which side you're on.
