We rebelled against God. Jesus redeemed us on the cross.
And now, God is restoring all things.

Today's Message: *The Greatest Story Ever Told : Restoration*

God is restoring all things.

Light Seeker – We will seek God, our light.

What does that mean to you? Why do you think that idea is important?
How does that change the way you see what it means to be a Christian?

"Heaven must receive him until the time comes for God to restore everything, as he promised long ago through his holy prophets."

Acts 3:21 NIV

What sticks out the most to you about this verse? What do you think it means? Why is that important for us to understand?

The process of restoration:

1. **Jesus redeemed you on the cross.**
2. **He's restoring you personally.**
3. **He's empowered you to restore the world.**

How is Jesus restoring you personally? Tell me about a time when you were empowered to do something meaningful. What was that like? How did it make you feel? How does it make you feel to know that God wants to use us to make the world better?

Why does Easter matter?

How has what you learned today changed the way you think about Easter? About Jesus? About being a Christian?
