

Legendary Character

Week 2 : Epic Integrity

Proverbs 10:9 NLT

People with integrity walk safely, but those who follow crooked paths will be exposed.

Family Discussion

What are some words that are similar to integrity—or how would you define it? *Being trustworthy, dependable, honest, living out the same godly values no matter where you are, etc.*

On a scale of 1-10, how much integrity do you think you have? When is it hardest to live out godly values like obeying the rules your parents or leaders have given you?

Read **Proverbs 10:9 NLT**. What do you think it means to follow a crooked path?

What do you think might happen to you if you live with epic integrity? *You would be more trusted, you might be given more freedoms, you'll avoid a lot of potential danger, you'll feel peace about the way you live, etc.*

Take action. This week, think about the apps and online games you use. Make sure you're making it easy for yourself to live with integrity. Ask yourself:

- Are there any secrets about myself I should remove? *(phone number, birth date, address, personal pictures, etc.)*
- Are the privacy settings updated?
- Are there any apps I should probably delete or games I should stop playing altogether?
- Pray together as a family.
