

Life of Worship

Part 2 : Focus Up!

Matthew 22:37-38 NIV

“Jesus replied: “Love the Lord your God with all your heart and with all your soul and with all your mind.’ This is the greatest commandment.”

Icebreaker Questions

If you had an extra hour of free time every day, what would you do with it?

What would your friends say is the most important thing in your life?

FAMILY DISCUSSION

- What stood out to you the most from the message? What’s one thing you learned?
- Today, we wrote a letter to an inanimate object! If you had to write a letter to the thing you spend the most time with, what would it be? A computer, TV, football, iPad, something else?
- What’s your answer to today’s big question? Do you know anyone who you would say “living to worship God” is the most important thing in their life? If yes, what shows you they live for God?
- Read **Matthew 22:37-38**. What do these verses teach about how much of your time God wants?
- How can you remember to make God a part of everything you do? *(Hint: Thanking Him often is a great way to start!)*

- How can you tell if something besides God is starting to become the most important thing in your life? *Idea: If things are distracting you from God instead of reminding you to worship God, they're becoming more important than God to you.*
- Pray together. Pray that your students would make God the center of their lives. Pray they would use the unique way God made them to honor God and cause others to worship God, too!
