#### **Family Discussion**

- When you think about what's unique about you, how do you feel? Are you proud, embarrassed, or something else?
- When you think about something that's unique about others, how do you feel? Do you think they're cool, weird, or something else?
- How do you think God feels when He thinks about what's unique about you and others? *He is pleased with the way He created us, He didn't want anyone to be a duplicate of someone else, He has a purpose for the unique gifts and talents He gave us, etc.*
- Read **Psalm 139:23-24 NIV**. Why do you think it's good for God to search us and know our hearts? *It helps us understand ourselves and our purpose, it makes us feel closer to God when we know how much He knows about us, etc.*
- Why is it important to show respect to one another? (Because each of us is a unique child of God.)
- What are some ways we can show respect to one another?
- Pray together as a family
