

WEEK 8 - Ark of the Covenant

Hebrew 9:15 *“For this reason Christ is the mediator of a new covenant, that those who are called may receive the promised eternal inheritance—now that he has died as a ransom to set them free from the sins committed under the first covenant.”*

We are finally going through the veil into the Most Holy room. Here we find a box called the ark of the covenant. This golden box has solid gold lid on called the mercy seat with 2 angles on top facing each other called the cherubim. Here is where God's presence dwelled. God is a God of covenant. He wants to be in covenant with his children.

FUN FACT

- There were 3 things inside the ark of the covenant. The stone tablets with the 10 commandments a pot with manna and Aaron's rod that budded.
- These things must be very important to God if He had them inside this special box called the ark of the covenant,
- Covenant is God's promise to us and the promise we accept to keep with Him.
- We find 2 angles showing the same picture as the 2 angles on the ark of covenant somewhere else in the bible at Jesus empty tomb where Jesus was laying - Lets read.

John 20:12

“Mary saw two angles dressed in white. They were sitting where Jesus' body had been, one at the head and one at the feet”
