RECAP:

During week one of our cruise ship adventure we that go out and telling others about Jesus might not always go well. We learn from Paul and Barnabas story that even though they performed miracle to the power of the holy spirit that some people were amazed and gave their life to Jesus others rejected Paul and Barnabas. The same way some friends might reject us when we share the story of Jesus, but we can always do what is right just like Paul and Barnabas did. God is always with us and there to help us.

INTERACT: Empty jar (without God in our lives) we don't always make good choices but with God (jar with water) we can do what is right and make the right choice
