Lesson

God gave Moses very specific instructions to build a Tabernacle so that God could dwell with His people. Everything had a special purpose and meaning. Today we look at the first furniture piece when you enter into the Tabernacle. It is was called the Bronze Altar because it was made from metal and Altar means something used to burn things and make a fire. Before Jesus came to earth the people of God had to burn things so that God could forgive them from everything they did wrong.

- People made many mistakes and had to bring a perfect lamb to God to say sorry.
- But God had a perfect plan to rescue his people and help us.
- God sent His perfect son Jesus to die for our sins (everything we did wrong)
- This plan was perfect because Jesus is alive and we are saved.
- Now we don’t have to bring a perfect lamb anymore we just have to pray ask Jesus to live in our hearts.
- Only Jesus is perfect and He is called our Good Shepherd because He now takes care of us.

**SENSORY:** Sheep vs Goat (print the sheep and goat picture then glue soft cotton wool on the sheep and sand/soil on the goat) Explain again way sheep was perfect without spot or blemish as explained in 1 Peter 1:19

**CRAFT:** Water paint
