

# THIS IS HOW WE'RE KEEPING YOUR KIDS

# SAFE

## **HEALTH SCREENINGS**

All of our volunteers undergo health screenings before they serve in your child's classroom.

## **FACE COVERINGS**

We are asking that all persons over 2 years of age wear a face mask while attending Kids Rock.

## **SOCIAL DISTANCING**

All of our programming has been modified to maintain 6 feet social distancing. Please help us by maintaining a safe distance of 6 feet between yourself and others who are not members of your household.

## **HAND SANITIZER**

Hand sanitizer will be available for all children over 2 years of age.

## **INCREASED CLEANING**

Facilities are frequently cleaned and disinfected before, during and after services. We are asking that you keep any of your children's personal toys with you during service. Your child will receive their own set of toys and activities that they will use throughout the program. None of these items will be shared with any other children.
