## NEWS

We will be meeting at The Hill Church for the first week in July, possibly the second week. Please keep your eye on your email, the app, or website for further information. During this time we hope to hear back from Field school district to make the decision on whether or not we can resume meeting at the school, or make plans to meet at the Water Street church. If you have volunteered to help with cleaning and preparing that church, thank you, we will be in touch.

## UPCOMING EVENTS

VBS - We have postponed our 3 night VBS to later in July or early August. If the school continues to be unavailable we will look to see if there is another option available.

## AW 1st - 6th

---

God has always been involved in the world He created. We see His handiwork on display in creation. We see God's love on display through Jesus, who came to rescue us. We respond to God in faith, in what we can't see because of what we can see. When we focus on what we know to be true about God and the world God created, we can have faith in what we can't see or fully understand.

### **Bottom Lines:**

Jesus is a gift for everyone.  
Ephesians 2:8-9

You can help others know Jesus. Acts  
17:16-34

Knowing Jesus changes the way you see your problems. Acts 27-28

Following Jesus will turn out greater than you can imagine. Revelation 21:3-5a

**Memory Verse: "God' grace has saved you because of your faith in Christ. Your salvation doesn't come from anything you do. It is God's gift."**
