10 Rounds XPC

A fat burning, muscle toning, extreme power circuit that mixes boxing, kickboxing, TRX, cardio, core, and weights. As you maneuver your way through 10 rounds, you'll kick, punch, squat, and more for 2.5 minutes at each station.

Fight

Fight is our kickboxing with a spiritual warfare flare. With music by some of our top contemporary artists, we encourage you to come to class with whatever the enemy has challenged you with and leave it on the floor! Fight it out with a great combination of choreographed high impact taekwondo and kickboxing movements! (Ephesians 6:12)

Step

Step aerobics is an energizing workout using a height-adjustable step and simple movements on, over and around it. Tone your lower body, build stamina and increase endurance in this fast-paced session!

Any questions or concerns, contact Fitness Director **Bernard Wesley** at bernard@connectionpoint.tv or 816-268-1527.

Senior adult exercise programs

It's never too late to start exercising. Active lifestyles are important for maintaining health as well as quality of life. Moreover, exercise can benefit older adults mentally as well as physically. Moderate exercise can help alleviate stress and potentially reduce feelings of depression. Additionally, regular exercise may be able to improve mental function. Some studies have found regular exercise contributes to improvements when quickly shifting between tasks as well as planning an activity. Furthermore, doctors recommend weight-bearing, flexibility, and resistance exercise for those who suffer from osteoporosis.

ChairFitness Class

This class utilizes hand weights and upbeat music to offer a great cardio/muscle workout for our senior adults. It is especially ideal for those with limited mobility or other physical limitations that demand a non-impact workout or a workout from a seated position
