### HOW TO HACK THIS SERIES FOR TODDLERS

In children's ministry, you've got a wide range of ages you need to engage every week, but toddlers tend to get overlooked. But you know your toddlers need more than just babysitting, so here are a few adjustments you can make to this week in order to keep your toddlers more engaged.

#### MUSIC | Time Travel Tunes

Give each kid a different age-appropriate noisemaker, such as an egg shaker, tambourine, rattles, etc. During the chorus, instruct the kids to share and exchange their items and shout, "Love!"

#### ACTIVITY | Find the Difference

Have kids hold and compare two different objects in the same category (e.g., two different fruits, car toys, dolls, etc.). Talk about the features that make them different from each other, but they are both the same category. Say, "Everyone is different but God loves everyone the same!"

#### ACTIVITY | Love Locomotive

Give each kid a [magnetic toy train](#). Designate one engine to be the Holy Spirit. Talk with kids about the people they love, and have them each add one train to the engine. Let kids take turns pulling the long train around your space.

Catherine Hwang is the Children's Pastor at Bayside Church Adventure Campus in Roseville, California. She is originally from South Korea and has worked with kids in Asia, Latin America, Africa and of course, the beautiful North America! She also has experience leading children's ministry in a church plant, as well as midsize and mega churches. She loves working in Children's Ministry because she believes that the best adults are those who are kids at heart, and as Dr. Seuss says, "a person's a person, no matter how small." Catherine was "ministering" to kids even when she was a child, bossing all the neighborhood kids around, making sure they did their homework and stayed out of trouble. God used her bossy nature and turned it around for HIS purpose and guided her to intern as a Kids Worship

Director, then lead as a Children's Director! Which led to her going to BIOLA and the rest is history!

Catherine grew up dreaming (still trying) to be a K-pop star, teacher and medical missionary. So, while on a singing contest, a friend of hers ask what kind of man she wanted to marry and introduced her to her total opposite Steve! Now they are taking over the world, falling more in love, eating yummy food and exploring God's creation with their 3 super girls and tiny dog Melchizedek.

If you'd like to chat with Catherine about leadership, strategies for children's ministry, or which musical is the best, reach out! She would love to connect with you!
