CALVARY TUSCALOOSA LIFE GROUPS LEADER OVERVIEW

WHY START A LIFE GROUP?

Think about the friends you have in your life. How many of them would benefit from a group like those mentioned in this overview? How easy would it be to be more intentional in the relationship you have and being able to gather to have fun and discuss the Bible together? This simple step of intentionality can help your friends find the life-changing community they are seeking!

WHY ARE LIFE GROUPS IMPORTANT

Despite technology improving communication, true connection is rarer than ever. Everyone is craving true and meaningful relationships. Small groups provide a life-changing community that fosters these relationships both with God and with one another. As we engage with the bible, in prayer, and with each other, we see God doing amazing things in both in us and through us!
